### NEWS ADVISORY

#### **Hoover High School New Classroom Arts Building Ribbon Cutting Ceremony**

Glendale, CA – A ribbon cutting ceremony to celebrate the completion of the new classroom arts building at Hoover High School will be held on Thursday, August 25, 2016, at 5:00 p.m. at Hoover High School, 651 Glenwood Road, Glendale, CA 91202.

The Hoover Overcrowding Relief Grant (ORG) project was funded through Measure S dollars. Measure S is a \$270 million dollar general obligation bond passed by the voters in April 2011 to build, renovate and improve schools in the Glendale Unified School District.

The new classroom arts building is 14,873 square feet that includes a photo lab complete with a dark room and developing room; 2 media technology rooms with studio green screens; 2 computer labs; a painting/drawing room; and a critique room. The construction also included a courtyard and upgrading of the softball field to include a scoreboard and new seating area. Cost for the project was approximately \$6.8 million.

The School Board of Education, Superintendent, and school officials will be among those attending the ceremony.
